

# England's Great West Way®

5 days / 4 nights

## Day 1 - London Arrival and Windsor

Arrive into your London airport and meet your guide before boarding your coach. Continue to the Windsor area to start exploring the Great West Way®. Enjoy a walking tour of Windsor and visit Windsor Castle, the home of the Royal Family, where Prince Harry married his Meghan, before checking into your overnight hotel where you will enjoy a welcome dinner with your fellow travellers.

**Dinner and overnight: Windsor area**

## Day 2 - Stonehenge and Salisbury

Take a slight detour off the Great West Way® today to stop at Bombay Sapphire Distillery to uncover the secrets of gin making and sample a gin cocktail. Why not visit prehistoric Stonehenge - part of a UNESCO World Heritage Site - before continuing to Salisbury. On arrival into Salisbury, take a walk around this picturesque market town and stop by Salisbury Cathedral for photos of the tallest cathedral in England.

**Dinner and overnight: Salisbury area**

## Day 3 - Bath and Bristol

This morning, re-join the Great West Way® as you head to Bath. Take a walk around one of the most beautiful and recognisable cities in England, before visiting the historic Roman Baths. After lunch, continue to Bristol where you can visit the SS Great Britain - one of the most important historic ships in the world - before checking into your hotel.

**Overnight: Bristol area**

## Day 4 - Cotswolds and Avebury

Stop to explore one of the many pretty Cotswolds villages in the area, for example Lacock, a firm favourite for film and TV producers, as seen in 'Downton Abbey', the BBC's 'Pride and Prejudice', and the film 'Harry Potter and the Half-Blood Prince'. Stop in Avebury, a small village within a standing stone circle, part of the UNESCO World Heritage Site of Stonehenge and Avebury. Check into your next overnight hotel.

**Overnight: Swindon / South Cotswolds area**

## Day 5 - Departure

Start your drive back to your London airport this morning. Along the way, you may have the time to stop to visit Marlborough, an archetypical English market town. On arrival at the airport, check into your flight, and say goodbye to your travel companions.
